Seem 2 LED Family

Bringing It All To Light*

A narrow 2.5" aperture luminaire designed to fit organically into architecture and provide a clean visual aesthetic, Seem 2 integrates with ceilings and walls in different configurations to bring harmony to interior spaces and to support diverse applications. It allows for design flexibility with modern finishes, individual lengths, continuous runs, or patterns in a variety of mounting styles: recessed, perimeter, suspended, surface mount, and wall mount. Several shielding, color temperature, and distribution options provide the perfect blend of high performance and visual comfort.

	SHIELDING	DISTRIBUTION	LUMENS/FT	COLOR		LENGTHS	PATTERNS
				TEMP (K)	CRI		
Grid TW RL N PoE QS	Asymmetric / Batwing / Flush Lens		125 250 375 500 625 750 875 1000	2700-6500	>80 >90	Runs in 1" increments	L, U, Rectangle, Custom
	Regress Lens					Runs in 1" increments	
	0.5" Pop-Down Lens					Runs in 1" increments	Individual units up to 8'
	1.5" Pop-Down Lens					Individual units up to 8'	
Drywall/Hard Ceiling TW RL N PoE Wet Location IP65 NSF QS	Asymmetric / Batwing / Flush Lens		125 250 375 625 750 875 1000	2700-6500	>80 >90	Runs in 1" increments	Wall to ceiling, L, U, Rectangle, Custom
	Regress Lens					Runs in 1" increments	
	0.5" Pop-Down Lens					Runs in 1" increments	Individual units up to 8'
	1.5" Pop-Down Lens					Individual units up to 8'	
Perimeter RL N PoE QS	Flush Lens		125 250 375 625	2700 3000 3500 4000	>80 >90	Runs in 1" increments	L, U, Custom
	1" Regress					Runs in 1" increments	
	2.5" Regress					Runs in 1" increments	
	4.0" Regress					Runs in 1" increments	
Suspended/Surface/Wall RL N PoE QS	Solid bottom, Indirect only		125 250 375 500 625 750 875 1000 1125 [†] 1250 ^{††} 1375 [†] 1500 [†] 1625 [†]	2700 3000 3500 4000	>80 >90	Runs in 1" increments	L, U, Rectangle, Custom
	Asymmetric / Batwing / Flush Lens					Runs in 1" increments	
	0.5" Pop-Down Lens					Runs in 1" increments	
	0.5" Pop-Up Lens					Runs in 1" increments	
	0.5" Pop-up & Pop-Down Lenses					Runs in 1" increments	
	1.5" Pop-Down Lens					Individual units up to 8'	
Suspended Acoustic RL	Regress lens / Solid PET bottom Indirect only & Unlit (8", 12" & 16" heights)		200 300 400 500 700 900 1000 1200 [*]	3000 3500 4000	>80 >90	Runs in 1" increments	

Seem Family

The broad Seem family, with nominal apertures from one to six inches, offers many options to unite a space with lines of light and create a contemporary aesthetic. Find out more at focalpointlights.com/seem.
